Our work week is structured 0800 – 1700 Monday to Thursday and 0800 – 1600 Friday. Short format work is typically completed within 8 hours of labour and over 1-3 site visits. Short format work generally involves a discussion about your project needs, sometimes a site visit and after that a decision around budget expectations and work scheduling. We can usually accommodate works on the same day as required if it is urgent for property damage or safety reasons.

Account payment to be made within ten (5) working days of invoice issue and/or on completion of agreed work

Invoices will be sent weekly unless otherwise agreed

Interest on outstanding invoices calculated at 25% PA compounding daily

Please let us know if you require any more information or clarification from us.

Thanks for considering us for this project,
